Documents on the history of campaigns against «objectivism» and «cosmopolitanism» (1948–1950) in the personal papers of historians in the Archive of the Russian Academy of Sciences

Annotation

The article reviews the documents on the history of ideological campaigns against "objectivism" and "cosmopolitanism", preserved in the personal papers of historians in the archives of the RAS. We consider the transcripts, correspondence, diaries, preserved in the collections of E.N. Gorodetsky, B.B. Kafengauz, I.A. Kudryavtsev, A.M. Pankratova, M.N. Tikhomirov, V.M. Khvostov, A.I. Yakovlev. The importance of detected materials, which supplemented documents of scientific and educational institutions are showed.
