Penkova Yu.A.

Destructive battalions of Polar region and their contribution to the USSR victory in Great Patriotic war (1941–1945)

Annotation

The author explores the history of the formation of destructive battalions in the Polar region in 1941-1945. The major problems, areas and the legal basis for their work are studied in this article. The author studies differences of polar destructive battalions from those which operated in Karelia and Leningrad region. The most interesting facts of the strategically and official use of destructive parts containing in archival documents of Murmansk region are given in this work.
